

## **COOKIES POLICY**

### **1 - PREMISE**

This information is provided, with reference to the website <http://www.omecspa.it> (hereinafter, the "Site"), by Omec S.p.A., Tax Code/Vat number 01484760127, in person of the legal representative, with registered office in 21055 Gorla Minore (VA), Via E. Mattei n°20.

### **2 - WHAT ARE COOKIES AND WHAT ARE THEY USED FOR**

A cookie is a text file that a website visited by the user sends to its terminal (computer, mobile device such as a smartphone or tablet), where it is stored before being re-transmitted to that site on a subsequent visit to the site.

There are different kind of cookies:

- based on the subject installing them, depending on whether the site manager is the same (c.d. "first-party cookies") or a different subject (c.d. "third-party cookies")
- based on the purpose of each cookie: some cookies allow better navigation, memorizing some choices of the user, for example the language (c.d. "technical cookies"), other cookies allow to monitor the user's navigation also for the purpose of sending advertising and / or offer services in line with your preferences (so-called "profiling cookies"). Only profiling cookies require the user's prior consent to use them.

The Website uses first-party technical cookies as well as third-party profiling cookies (described in section 2 "Cookies installed through the Website" below). Omec S.p.A. is responsible, in its capacity as Data Controller, exclusively for first-party cookies installed by the same on the Site

#### **1. Procedure for expressing consent to profiling cookies**

1.1. On the first visit to the Site, you can accept all cookies by completing one of the following actions:

- closing the banner by clicking on the button "X" or "Authorize" in the banner itself; or
- performing a scroll action on the page (c.d. scroll down); or
- accessing another area of the Site or clicking on any element of the page (image or link) outside the banner

1.2. At the first visit to the Site, if you do not perform any of the actions described in the banner but, from the banner, access to this extended information, you can interact with the specific consent forms in the extended information where it is possible to give and / or deny consent, as appropriate, to the installation of cookies by clicking on the appropriate link in the "privacy information and consent form" column of the table below.

Attention: if you do not interact with the consent forms and leave the extended information, closing the page in which the information is contained or continuing browsing the site, you give consent for all cookies.

1.3. On the next visits to the Site (provided that you have previously indicated your preference about the use of cookies, as indicated in points 1.1 and 1.2 above), you can access this extended information via the "Cookie Policy" link on every page of the Site and deny consent to third-party profiling cookies by clicking on the "consent form" (where available), for each third-party cookie, in section 2 "Cookies installed through the Website" herein below.

1.4. In any case, through the browser settings. The procedure to configure these settings is the follow:

### **Internet Explorer**

#### *Change of Cookie settings*

Select "Tools", "Internet Options", then "Privacy". You can adjust the cookie acceptance policy by bringing up or down the relative slider or click on the "Sites" button and, in the window that appears, you can authorize or block the acceptance of site cookies by Site. Click "OK" to apply the changes.

#### *Cookie cancellation*

Select "Tools", "Internet Options", then "Delete" from the "Browsing History" box. You will find a number of items including Cookies. Verify that the check mark of the relevant cookie is activated and press "Delete".

### **Google Chrome**

#### *Change Cookie settings*

Type chrome: // settings / in the address bar then select "Show advanced settings" at the bottom of the page and then on "Content settings" of the "Privacy" section and then on "Allow local data saving (recommended) ", then " Finish ".

#### *Cookie cancellation*

Type chrome: // history / in the address bar and then select "Clear browsing data ...". You will find a series of items including "Cookies and other site data and plugins". Verify that the check mark of the relevant cookie is activated and press "Clear browsing data".

### **Mozilla Firefox**

#### *Change Cookie settings*

Access the options through the menu icon, then select the "Privacy" section. Under the heading chronology choose: "use customized settings" then set the management of cookies through the options made available by the program. Click "OK" to apply the changes.

#### *Cookie cancellation*

Access the options through the menu icon, then select the "Privacy" section. In the history entry choose: "use custom settings" then click on "Show cookies". The Cookies window will be displayed: In the "Search" field enter the name of the site whose cookies you want to remove. A list will appear showing the cookies related to the search carried out. In the list, select the cookies to remove and click the "Remove Selected" button. To delete all cookies stored on your computer, you can use the "Remove all cookies" button.

### **Safari**

#### *Change Cookie settings*

Click on "Preferences" from the "Tools" menu (CTRL + key combination) then select the "Privacy" section. Choose the cookie management policy by choosing an option from those proposed by the program then close the options window from the top-right close icon.

#### *Cookie cancellation*

Click on "Preferences" from the "Tools" menu (CTRL + key combination) then select the "Privacy" section. Click on "Remove all website data" and then confirm your choice. Choose the cookie

management policy by choosing an option from those proposed by the program and then close the options window by closing the icon in the upper right corner.

In the case of devices such as smartphones, tablets, etc., we ask you to verify that each browser on each device is set to express your cookie preferences.

For behavioral advertising cookies you can also set your preferences through the website [www.youronlinechoices.com/it](http://www.youronlinechoices.com/it) (the system operates with reference to participating companies that use cookies for behavioral advertising).

## **2. Cookies installed through the Site**

### **2.1 First-party technical cookies that do not require the user's prior consent**

<b>Cookie name</b>	<b>Purpose</b>	<b>Expiration</b>
